Who the Daily Drop Affiliate program is for...

You are a...

- Creator
- Business owner
- Influencer
- Blogger

Who...

- Has a passion for sharing how to earn and redeem miles, points, and cash back rewards
- Is looking to monetize credit card links

What is the Daily Drop Affiliate program...

Daily Drop is a media company all about maximizing miles and points.

The affiliate program gives aligned creators, business owners, and entrepreneurs access to monetized credit card links along with links to our content and education.

We do the heavy lifting for you.

Anytime someone is approved for a card through your link, you earn a commission!

The most generous commissions in the industry

We get you set up on a structure that makes the most sense for who you serve in your audience.

Let's break down what that could look like...

One business owner earned...

\$97,808 in one year by adding a top cards page to their website header.

How does it work?

Once your application is approved, you receive access to

A Custom Dashboard

Where you'll find your affiliate links, promo files, compliance docs, and your monthly stats.

Promo Guides & Compliance Guidelines

We provide emails, messages, social media copy, and even classes you can customize and share! Plus let in you on behind the scenes what's working! We also provide you with compliance guidelines as the credit card world is heavily regulated.

A dedicated Affiliate Manager

As a Daily Drop Affiliate, you get direct access to our Affiliate Manager, Megan, who has paid out affiliates over \$1 million. You can set up a 1:1 Strategy Session, ask for reviews, and more!

How often do I have to talk about cards?

You can talk about cards as often or as little as you'd like.
We keep you in the loop of the best deals or red alerts.

Here's how simple it can be...
using Daily Drop as an example.

In 2023 over 50% of our revenue came from one single card.

AND 80.9% of our revenue came from a Limited Time Offer
that happened over 2 months.

Whether you talk about it once a year or year round, there's an opportunity for you to earn BIG!

Why partner with Daily Drop?

- We're passionate about miles and points because **EVERYONE** on our team has implemented the strategies we educate our subscribers on daily to afford travel that we otherwise wouldn't have been able to. ***So you can trust that your audience will continue to get value.***
- We keep our content and education free. ***So you know your audience is taken care of and has the best resources on hand.***
- We've reached over 1 million subscribers in under 2 years with higher than average newsletter open and click rates. ***So you know you're a part of a growing & engaged community.***

Are there any requirements to share as a Daily Drop Affiliate?

There are no requirements for how often you share! We create cobranded card & content pages on our site and take care of the card issue compliance for you.

Can I still share my personal referral links too if there's a different offer available?

Absolutely! We don't make you sign into any exclusive arrangement with us. You are more than welcome to share your personal referral links or other affiliate links. We are continually working with our partners to get you the highest commission possible and update our commissions monthly, so we think you'll be happy with us!

How does attribution work?

We use session attribution, meaning when someone clicks on your link you will receive credit as long as they apply for a commissionable card through links on our site without closing the browser window/tab.

When do I get paid?

You will receive monthly payouts, with commissions locked at the end of each calendar month

Is this for US based businesses only?

Yes. At this time we can only offer US card links. If you are not in the US and still think you could be a good fit for this, please reach out to Megan.
